1) The prices for the first month include all connection fees and required hardware. On-site installation not included.

2) The specified figures are the maximum speeds when using Centro Business 2.0. Please check the availability in your area at [www.swisscom.ch/checker](http://www.swisscom.ch/checker).

3) Guaranteed repair by the next working day: we will prioritise the reinstatement of your services and ensure that they are working as normal again by the following working day (within ten hours during the support times Mon–Fri 8:00 am – 7:00 pm and Sat 8:00 am – 5:00 pm).

4) Applies 24/7 in all landline and mobile networks of all countries within the EU/Western Europe, the USA (excluding US insular areas) and Canada. Fees apply for calls/SMS/MMS to business numbers, short codes and special numbers.

5) Public broadcasts are possible on screens of up to 3m in diameter with Swisscom TV Public and a valid Billag licence. For larger screen diameters, a SUIA licence is required.

6) For billing by the minute, the following rates apply: CHF 0.08/min to all Swiss landlines, 0.30/min to all Swiss mobile networks incl. Liechtenstein. Billed in 10 centime increments.

7) Additional telephone numbers with unlimited calls to Swiss mobile and landline networks are only available with the Event Telephony L package.

8) Additional installations are billed at cost.

Subject to the Conditions of Offer of Event Connect and the General Terms and Conditions of Swisscom Broadcast AG.

All prices are monthly prices in CHF incl. VAT (unless specified otherwise).
